MEMORANDUM FOR: Deputy Director of Central Intelligence
Deputy to the DCI for Resource Management
Deputy to the DCI for Collection Tasking
Deputy Director for National Foreign Assessment
Deputy Director for Science & Technology
Legislative Counsel

FROM: Director of Central Intelligence

SUBJECT: Coordination of SALT Testimony

1. In view of the volume of demands being placed upon us for SALT briefings and testimony, it is important that we speak with deliberation and work together closely in order to provide an accurate and consistent account of our capabilities.

2. All briefings should be coordinated with the SALT Support Staff, and copies of all presentations should be retained there for record purposes.

3. Aside from classified briefings on the Hill, there is a growing body of data which is being prepared for release into the public domain in anticipation of the ratification process. Effective immediately, I want all such data to be submitted to the SALT Support Staff for coordination and subsequent referral to DD/NFA for approval and record purposes.

4. All portions of this memorandum classified SECRET.
